

TITLE INSURANCE FAQs

for Homebuyers

WHAT IS TITLE INSURANCE?

Title insurance is a unique insurance policy that protects the ownership in your home. Title coverage is based on the careful research of past ownership and other public records and is designed to address any overlooked or outstanding issues impacting legal title of the property prior to you taking possession of your new home.

WHY SHOULD YOU HAVE TITLE INSURANCE?

Title insurance gives you assurance and peace of mind by protecting your investment and property rights from future legal claims. The premium is paid only once, and your policy remains in effect as long as you own the property.

Owner Policy

This type of title policy protects your property rights.

Lender Policy

This type of title policy is usually required by your lender and protects only the lender's interest.
